

PROJECT RESEARCH

- NFCH sponsors/grants financial assistance to undertake research studies for promotion of communal Harmony and /or National integration. Universities, research organizations, schools of social work, autonomous organizations, media personnel or other individuals, renowned institutions working or having experience in the area of communal Harmony and National integration may apply to carry out participatory or action oriented research studies having strong relevance to promotion of communal harmony and national integration.
- The Foundation encourages to sponsor cost effective and time bound research studies ranging between six month to two years.
- Proposers are suggested to go through the guideline of Project Research available on the website www.nfch.nic.in, which includes prescribed application form and procedure etc. for applying under the project.
- Interested researchers/ institutions or organizations etc. are requested to send their proposals and CVs via email at nfch@mha.gov.in, Hard copy of the same may be send to the official address of the Foundation.
